SnapStore Shipping, Fulfillment, and Delivery Policy

Document ID: POL-SS-LOG-2026-V2 | Effective Date: January 1, 2026 | Logistics Operations Division

1. Domestic Delivery Options and Fulfillment Timelines

SnapStore operates regional fulfillment centers across the United States to ensure rapid dispatch and delivery.

Standard Ground Shipping

- Free delivery on all domestic retail orders exceeding $50.00 USD after discounts.
- Orders below $50.00 incur a standard flat shipping fee of $4.99 USD.
- Delivery transit window is 3 to 5 business days via FedEx, UPS, or USPS ground networks.
- Delivery operates Monday through Saturday, from 8:00 AM to 8:00 PM local time.

Express Air Shipping

- Guaranteed expedited delivery within 1 to 2 business days for a flat surcharge of $14.99 USD.
- Same-day fulfillment dispatch cutoff is 2:00 PM EST Monday through Friday.
- Weekend delivery is supported in select metropolitan regions at no additional fee.

Same-Day Metro Courier Delivery

- Available in major metro areas including New York, Los Angeles, Chicago, Houston, and Miami.
- Orders confirmed prior to 11:00 AM local time arrive by 9:00 PM on the same calendar day.
- Fee is $19.99 flat, or discounted to $9.99 for verified SnapStore Prime membership holders.

2. Order Tracking, Dispatch, and Address Modifications

Tracking Identifier Activation

- Digital tracking codes are activated within 2 to 4 hours of physical barcode scanning at fulfillment hubs.
- Customers receive live tracking updates via automated email and push notifications in the SnapStore mobile app.

Address Correction Window

- Shipping destinations can be updated freely through the user portal within 30 minutes of checkout.
- Once an order reaches "Fulfillment In Progress" status, address changes require a carrier package intercept with a $12.50 fee.

Multi-Hub Split Shipments

- Items sourced from different regional fulfillment centers may arrive in separate packages with distinct tracking codes at zero extra cost.

3. Lost, Delayed, or Stolen Packages in Transit

Premature Delivery Scan Buffer

- If a parcel is marked "Delivered" but is not physically present, customers must allow a 24-hour buffer for carrier scan reconciliation.

Claims and Package Theft Protocol

- Formal missing package claims must be filed within 14 calendar days of the estimated delivery date.
- SnapStore reviews carrier GPS coordinates at the delivery drop point. For verified porch theft exceeding $250.00 USD, a local police report number is required.

Transit Damage Reporting

• Visible exterior carton damage, crushing, or moisture exposure must be photographed and submitted to support within 48 hours of courier delivery.

4. International Shipping and Customs Import Regulations

Eligible International Destinations

• SnapStore ships to 65 global countries across the Americas, Europe, and Asia-Pacific.

• Standard international delivery takes 7 to 14 business days; Priority global express takes 3 to 5 business days.

Customs Duties: DDP vs DDU Policies

• Shipments to Canada, the United Kingdom, and European Union member states are delivered DDP (Delivered Duty Paid). All applicable tariffs, import taxes, and VAT are calculated and collected at checkout.

• Rest-of-world shipments are delivered DDU (Delivered Duty Unpaid); local import clearance fees are the sole responsibility of the customer.
